### **Mission**

Our mission is to provide the community assistance with their event needs by offering a safe, positive, affordable and well known facility in which to hold community and social events.

### **Vision**

The vision of the Community Services Department is “Continuously improving the quality of life for our community through parks, recreation, programs and leadership”

### **Background**

In October, 1920, a bond election was held in order to raise funds to purchase a site and construct a Memorial Auditorium in Stockton. The City had been considering the necessity for a large facility to house community events for many years. Following World War I, when plans were being made to commemorate the Stockton men who had lost their lives in the war, it was proposed that an auditorium be built. When the building was dedicated, it included two bronze tablets in the lobby, with the inscriptions: “To the men of Stockton, California who gave their lives in the World War” from the Women of Stockton; and “To the men of San Joaquin County who gave their lives in the World War” from the Board of Supervisors. The inscription on the building was written by City Clerk Albertis L. Banks. It says: “Tomorrow and forever, the people of Stockton will hold in memory the valor of their sons who, on land and sea, at home and abroad, served their country in defense of liberty,” The completed building was accepted by the city on November 4, 1925, and dedicated on Veteran’s Day that same year.

Since its dedication, November 1925 the Stockton Memorial Civic Auditorium has hosted thousands of regional and community events. In 1990, the building was designated a Stockton Historic Landmark by the City Council. In 2009, the City began a renovation project for the Civic Auditorium HVAC System.

### **Hours of Operation**

Standard operating hours for the Civic Auditorium are from 9:00 a.m. until 1:00 a.m., although arrangements for activities before and after these hours can be made through the Special Event Facility Coordinator. The rental contract will indicate either these standard hours or other hours stated in the rental agreement. Additional hours outside the standard hours are subject to an hourly rental rate and overtime staff costs.

## FACILITY DESCRIPTION

---

**Main Auditorium:** The enormously versatile facility measures 120 x 100 with oak hardwood floors, elaborate historical detailing with high vaulted ceiling and glass dome at center. The Main Auditorium is an excellent facility for large meetings, lectures, weddings, quince eras, large dinners, shows, concerts boxing or wrestling competitions and activities requiring a large stage.

**North Hall:** Adjacent to the auditorium on the north side is the North Exhibit Hall. The dimension of the North Hall is 55' x 32 and the capacity varies depending on the size of the group and purpose of use. As you enter the hall the beautiful hardwood floors immediately add warmth to the room and your function. This hall can lend itself nicely to theatrical productions, lectures, meeting, small banquets, bridal showers, anniversaries, or dinner dances.

**South Hall:** Adjacent to the auditorium on the south side is the South Hall. The dimensions of this hall are 86' x 32' and you can easily create the perfect atmosphere for your event. This attractive hall can be used for meetings, banquet, or a dinner dance.

**North Parking Lot:** Due to the fact that there may be multiple events in the downtown area and no parking is reserved or designated for the Civic Auditorium, we recommend informing guests or patrons to arrive early and to take advantage of street parking and the various paid parking structures in the area. The Civic North Parking Lot per day rental (102 parking spaces), rates can be found in the parking section of the fee schedule listed under "Daily Parking – Designated Lots Only".
