STOCKTON ECONOMIC DEVELOPMENT WEBSITE GETS A FRESH LOOK **AdvantageStockton.com New Tools for Business**

(Stockton, CA) – In an effort to attract and support new business opportunities to Stockton, the City’s Economic Development Department has rolled out a newly-updated website that includes a fresh look and new tools – www.AdvantageStockton.com. With AdvantageStockton, prospective and existing business owners and managers can easily locate important demographics, learn about an array of business incentives and programs, and find available commercial properties within the city of Stockton.

In today’s economy, many business decisions are made by visiting a community’s website. AdvantageStockton provides information specifically for the business community, with up-to-date data on demographics, specific properties to lease or buy, and fast access to business support information.

Whether you are a current business owner or manager or considering starting a new business, www.AdvantageStockton.com has resources that will help you, such as information on starting a business, access to incentives and available programs, and ways to stay connected with the Economic Development Department through e-newsletters and social media.
